

COMMUNITY LAND MANAGEMENT PLAN – COLONEL LIGHT GARDENS --- Light Place Reserve & Bandstand

Adopted by Council {Insert endorsed date}

Acknowledgement

We acknowledge and pay our respects to the Kurna people, the traditional custodians of the land where the City of Mitcham is located, whose ancestral lands we live and gather on. We recognise their continuing spiritual, physical and emotional connection to land, waters, and culture. We pay our respect to them and their culture, and to their Elders past, present, and emerging. The City of Mitcham extends that respect to all Aboriginal and Torres Strait Islander peoples who live and gather on this land.

10. Schedule 1 – Light Place Reserve and Bandstand

Other than where indicated above the sequence of objectives, proposals, and policies within this plan does not infer a hierarchy or order of priority. The target is the goal or standard to be aimed for or reached; whereas the measure is how the Council proposes to determine whether the target/objective has been reached.

Objectives	Performance Targets	How Performance will be Measured
To maintain Light Place Reserve and Bandstand as a formal meeting place and passive recreation area recognising it as an element of the public realm in the Western part of the Garden Suburb of Colonel Light Gardens for the use of the community.	Light Place Reserve and Bandstand is maintained in accordance with the Public Realm Heritage Guidelines and maintained in a formal landscaped pattern with regard for its heritage significance.	A review any completed works or landscaping undertaken on the Land will be compared against the Public Realm Heritage Guidelines and the extent to which it maintains its heritage significance will be assessed
	Issue of short-term permits/special use licenses for events is consistent with applicable Council By-laws.	A review of temporary permits against relevant Council By-laws will be undertaken.
To maintain the Land as a safe and suitable passive recreation and green space within the City of Mitcham accommodating a mix and range of uses with flexibility to meet current and future community needs.	Landscaped areas, pathways, memorials and signage bandstand, formal pathways and lighting and associated infrastructure are maintained and renewed or upgraded in accordance with relevant maintenance schedules and asset management plans.	A review of completed works against the proposed maintenance schedule and asset management plans is undertaken to check for compliance.
	Provide a safe environment for visitors and users of the Land.	An audit of Council's customer feedback platforms will be undertaken annually to identify number of security incidents/graffiti reported.
	The Land is used by the community for a range and mix of uses and is able to accommodate future uses.	The results of customer feedback mechanisms will be analysed to assess how the community is using the Land and the community's future needs for the Land.
